Online Education

1. Does all programs/courses were completed on time.	Yes

| 2. Measures taken to complete the syllabus of courses and programs. | As a teacher training institution, the role of teacher educators is of more importance. It was a great challenge to train student teachers in a pandemic situation. During the academic year 2020-21, the major part of the syllabus of all programmes was completed through offline classes on the campus.

Due to Covid 19 situation, some of the components of the syllabus were taught through online classes, conducted on various online platforms like Microsoft Team, Google Meet, Zoom, Cisco WebEx meeting app, etc. All the faculty members and students were provided the license of Microsoft Team and the institution has also purchased the Zoom license to organize various webinars and workshops in online mode.

Further, in online mode, it was really a challenging task for the teachers to make the students active learners. They used various techniques like online debate, seminars, quiz, competitions, workshops, assignments, etc. to make students active learners. Practice teaching work like Micro teaching lessons, Simulation lessons, and stray lessons were also done in dual mode.

In a pandemic situation, when students were not available on campus some science experiments were done through virtual labs also. And rest of the practical work was done offline following Covid guidelines.

During this academic year when the situation was better as per the Govt. guidelines, the offline classes were also conducted.

Indian Institute of Teacher Education has provided various opportunities to teacher educators to prepare and deliver multimedia content. IITE has done an MOU with BISAG. Teacher Educators were provided the facility to record audio-video lectures at BISAG. IITE also launched Project Shiksharth under which experts from all over Gujarat were invited to record the audio-video lectures and these AV lectures were telecast through the dedicated channel of BISAG. Further, all Audio-Video lectures were also made available on the YouTube channel of IITE, Gandhinagar.
IITE also launched the project Angira, an online platform to develop MOOC. It is in process of development. Teachers Tune is internet radio. The main objective of this platform is to provide knowledge with entertainment. This platform provides knowledge to the listeners and training to the student teachers. Student teachers play the role of a Radio Jockey. They also take part in various programmes and express their creativity. Teachers Tune is a great learning platform for student teachers.

Continuous and comprehensive evaluation, mid-term evaluation, and preliminary exam were done through online mode. Semester End examinations were done offline according to Covid guidelines. |
|---|---|
| 3. The period of delay in completion of syllabus (in months). | 0 |
| 4. The period of delay in conducting exams (in months). | 0 |

Portal Name	No. of students offered online courses which have credit transferred to transcript	Total no. of online courses which have credit transferred to the transcript	Total no. of credits transferred to transcript
Swayam	0	0	0

5. No. of courses developed and available online on Swayam platform by your institution faculty	0

Financial Resources: Utilised Amount for the Capital expenditure for previous 3 years
